

## A Gift for Teaching of Osceola County Store Update for 2021-22 School Year

AGFT will continue to operate our Pencil Boy Delivery Program as the main distribution method for the school year. From September to April, we will have 400 supply boxes available. The reservation system will open on the first day of each month. Boxes will be first come, first serve.

Our leadership will review the current covid trends monthly to determine when it is prudent to reopen the brick and mortar store for shopping while keeping the safety of our teachers, staff and volunteers in mind.

Here are the instructions on how to log in for the first time.
