INDONESISCH RESTAURANT

Selamat datang!

Indonesia is known as a country rich in spices and is often referred to as the "mother of spices". Many Indonesian dishes have a distinctive aroma and rich taste of spices.

Indonesian cuisine is diverse. Indonesia has 18,000 islands, of which about 6000 are inhabited by more than 300 ethnic groups. Due to the influence of these different groups, Indonesian cuisine has a diverse taste and variation across different locations.

Having Indonesian blood in our family, we strive to preserve and reflect this diversity and richness of Indonesian culture in the form of various dishes for our customers.

LESTARI means "sustainable" in Indonesian

We strive to bring the sense of Indonesian food diversity in combination with the fresh packaging into our dishes. Hence, we hope to preserve the Indonesian culinary experience in the new era and to participate in the
