

SEMICAB

MOVING FORWARD.
TOGETHER FOR THE LONG HAUL

CHALLENGES YOU FACE WITHOUT SEMICAB

The **freight industry** is **unpredictable** and **volatile**

2018:

Transportation spending by shippers went up by 17.3%

2020:

50% increase in essential goods transportation in a 2-week span

That's why we created SemiCab, a Digital Freight Ecosystem.

We utilize a network-centric approach, focused on creating value, and sharing that value with the freight community—**you**.

JOIN THE SEMICAB NETWORK AND STOP SEARCHING FOR CAPACITY, SAVE MONEY, AND STAY INFORMED EVERY STEP OF THE WAY.

IT'S FREE!

Plan your budget without having to look for a better price elsewhere with our network-wide rate for all shipments.

That's budget-conscious.

Maintain and grow relationships with your preferred carriers and build new ones as needed with our network-dedicated fleet approach.

That's community at work.
