HOTELS

There are a plethora of hotels to choose from when staying in Angeles City. Here are a few of Wipe Every Tear's favorite hotels to lodge in:

Prime Asia Hotel:

Rates run for about \$65 per night when booking a single bed room. It is very clean with helpful staff and a wonderful rooftop pool and restaurant.

Grace Crown Hotel:

The location of the Gathering for the first two evenings would be a great place to stay. It is right next to Bella Goose Coffee, a business partner of Wipe Every Tear.

Red Planet Angeles City:

A budget hotel that is clean and comfortable. While not quite walking distance, this is still a great option to stay at.

FOOD

Enjoy local Pampangan cuisine while in Angeles City! There are many restaurants and eateries in Angeles/Clark.

Make the most of your trip by trying the local food with an open mind and empty stomach- Masarap!

Recommended Restaurants in AC:

Bella Goose Coffee
Patche's Thai
CPI Call Shop
Rasoi Indian Restaurant
German Angel's Bakery

TRANSPORTATION

Clark International Airport (CRK)

This airport is located in Angeles City, and is less than a 10 minute drive from hotels and the venues for the Gathering. We highly recommend flying in/out of this airport if you are traveling solely to come to the Gathering from a nearby country or island.

Grab drivers can sometimes be persuaded to drive to Angeles, but it is rare.

Point to Point busses are a very reliable form of transportation to Angeles City.

SALAMAT PO & SAFE TRAVELS!

We can't wait to worship together in March of 2020. For any additional questions, please email info.2020gathering@gmail.com.
