

**Wipe Every Tear, Inc. Core Values:**

“Be simple in your theology and extravagant in your love.”

-Kenny Sacht, Founder & Director.

Wipe Every Tear is a 501c3 non-profit organization dedicated to breaking the chains of sex trafficking. We partner with God to see incredible transformation in the lives of women trafficked in the sex trade in the Philippines. God has given us a beautiful, proven model to bring rescue and true restoration in these brave women’s lives.

- *FROM TRAFFICKED TO TRIUMPHANT:* Wipe Every Tear provides a safe place of refuge, counseling and discipleship, life changing college education, and livelihood opportunities that allows her to step into her true identity and full potential.
- *FROM SLAVE TO SCHOLAR:* The devastating label of “bar girl” and “prostitute” is the deepest form of identity theft. Every young woman in Wipe Every Tear’s care has the opportunity to earn her college education by enrolling in local, Filipino colleges. Wipe Every Tear also partners with businesses to develop job opportunities that allow her to have a bright future. Working together towards this life-changing achievement creates an empowered and inspired environment for healing.
- *FROM LEVERAGED TO LOVED:* Wipe Every Tear is faithfully devoted to sharing the restoration that Jesus brings. Our dedicated staff and volunteers partner with God in this sacred work by focusing on the healing and restoration of the whole person. Partnerships with local churches assist in facilitating healing and discipleship. Many women choose to be baptized as a result!
- *FROM IMPOVERISHED TO EMPOWERED:* Trafficking by design creates chains around women through deep shame and crippling poverty. The responsibility to send money back home to their struggling and often starving family is a heavy burden for these daughters. Our model overcomes the high hurdles that keep women enslaved by providing a way for scholars to go to school and honor their deeply important family commitments.
- *FROM INNOVATIVE PILOT TO SCALABLE MODEL:* IJM (International Justice Mission) declared Wipe Every Tear the gold standard of aftercare for women and girls who have been trafficked. God has given us an inspired model. We are actively empowering other organizations with what God has entrusted to us. Gratitude is expressed from the bottom of our hearts!
