13. Destruction of personal data – any actions resulting in irrevocable destruction of personal data with the inability to subsequently restore the content of personal data in the information system of personal data and (or) resulting in the material carriers of personal data being destroyed.

3. The Operator may process the following personal data of the User

1. Full Name;
2. Email address;
3. Phone number;
4. The website also collects and processes depersonalised data about visitors (including cookies) using the Internet statistical services (Google Analytics and others);
5. Data mentioned above is hereafter united by the general concept of Personal data.

4. Purposes of personal data processing

1. The purpose of processing the User's personal data is to inform the User by sending e-mails;
2. The Operator also has the right to send the User notifications about new products and services, special offers and various events. The User can always unsubscribe from receiving informational messages by sending the Operator a letter to the email address hello@venturefaculty.io marked "Waiver of notice about new products, services and special offers";
3. Depersonalised User data collected through Internet statistics services is used to collect information about the Users' actions at the website, improve the quality of the website and its content.

5. Legal basis of personal data processing

1. The Operator processes the personal data of the User only in case it is being filled in and/or sent by the User independently via special forms on the website <https://www.venturefaculty.io/>. By filling in the appropriate forms and/or sending their personal data to the Operator, the User consents to this Policy;

2. The Operator processes depersonalised data about the User if it is allowed in the settings of the User's browser (saving cookies and the use of JavaScript technology is enabled).

6. Procedure for collection, storage, transfer and other types of personal data processing

The security of personal data processed by the Operator is ensured by the implementation of legal, organisational and technical measures necessary to fully comply with the requirements of the current legislation in the field of personal data protection.

1. The Operator ensures the safety of personal data and takes all possible measures to prevent access of unauthorised persons to personal data.
2. Under no circumstances will the User's personal data be transferred to third parties, except for cases related to the implementation of the current legislation.
3. In case of revealing inaccuracies in personal data, the User can update the data independently by sending a notification to the Operator's email address hello@venturefaculty.io marked "Updating of personal data".
4. The period of personal data processing is unlimited. The User can at any moment withdraw their consent to the processing of personal data by sending a notification to the Operator via email to the Operator's email address hello@venturefaculty.io marked "Withdrawal of consent to the processing of personal data".

7. Cross-border transfer of personal data

1. Prior to the start of the cross-border transfer of personal data, the Operator is obliged to ensure that the foreign state, into the territory of which the transfer of personal data is supposed to be carried out, provides reliable protection of the rights of personal data subjects;
2. Cross-border transfer of personal data into the territory of foreign states that do not meet the requirements above can be carried out only if the personal data subject agrees in writing to cross-border transfer of their personal data and/or in case of the execution of a contract, to which the personal data subject is a party.

8. Final provisions

1. The User can get any clarifications on issues of interest relating to the processing of their personal data by contacting the Operator via e-mail hello@venturefaculty.io.
2. The current version of the Policy is available for public access on the Internet at <https://www.venturefaculty.io/>.
