

INTERPRAEVENT

2021 – Norway

14th Congress – *Virtual edition*

INTERPRAEVENT 2021

May 31st – June 2nd 2021

**PARTNERSHIP
INVITATION**

Virtual Congress Features

Networking will still be the cornerstone of the 14th Interpraevent Congress, and the chosen congress platform will allow attendees to take part in both interactive and engaging sessions and congress activities.

Virtual exhibition

A prominent feature of the virtual congress will be the virtual exhibition. All partners will have their own “booth” where attendees can learn more about your company and interact with company representatives. In addition to having a description of your company and company design features, you can display a variety promotional materials such as videos and brochures (according to your partnership package).

Live video-meetings

All partners can interact directly with attendees through live video meetings. Attendees can both pre-schedule meetings or join meetings directly (according to your partnership package). The number of available meeting rooms and time slots depends on the partnership package (see next page). Partners can choose whether they wish to have one-to-one meetings or speak to a group of attendees at the same time.

Partnership Opportunities

	Main Partner	Gold Partner	Silver Partner	Bronze Partner
Price (+ 25% VAT)	40 000 NOK	27 000 NOK	15 000 NOK	8 000 NOK
