## Work Experience

**ScaleHealth**  
July 2019 - present  
*Los Angeles, California*

**Designer**  
Acting as an in-house agency, I create daily marketing assets for the company and design and implement UI designs for a customer-facing portal.

**RootMD**  
Nov 2019 - Feb 2019  
*Los Angeles, California*

**UX / UI Designer**  
Working directly with the founder, I created the original app and web design as well as the packaging for this health-tech startup.

**Emsprints.com**  
Jan 2019 - May 2019  
*Los Angeles, California*

**Design Assistant**  
Responsible for collaborating directly with the CEO on design sprint workshops and developing a brand plan for the company.

**TEDXLMU**  
Dec. 2017- Oct. 2018  
*Los Angeles, California*

**Art Director**  
Responsible for implementing TEDx branded materials for the speaker event.

**Stabilify**  
Sept. 2017 - Nov. 2017  
*Los Angeles, California*

**UI Designer**  
Created and implemented design elements that were used for both print and an IOS app.

**Avaulte**  
May 2017 - Aug. 2017  
*San Diego, California*

**Web developer & graphic designer**  
Generated creative content for web pages and built out a website using the BigCommerce platform.

*More work experience upon request*
