Dhul Qadah 1441

Dear Parents/Guardians,

Assalamualaykum

Dear Parents/Guardians,

As we end this challenging albeit a different academic year; where parents as well as staff and pupils have had to adapt to a new way of learning, teaching and how we spent time with our loved ones. I would like to start by saying how proud we are of our children, who have shown resilience through these times and were able to acclimatise and adjust to varying methods of learning from home. The zoom sessions proved extremely successful for majority of our pupils who were able to see familiar faces of friends and teachers from the safety of their homes.

Insha'Allah, it is our intention to reopen in the first week in September 2020 and we are all looking forward to welcoming you all in the next academic year. It is likely that in September we may operate staggered timings for each year group for the start and end of day. This will be shared with you via our website.

Sadly it is that time of the year where we have to say good bye to our Year 6 – It was lovely seeing some of our year 6 pupils today. Although, this was not the good bye we had planned for them, we were happy to see them together. They have had a crazy final year, but equally they will be taking away with them many fond memories of their time here at Abu Bakr Primary. We hope that they will continue to build on these memories as they continue on this journey. May Allay (SWT) keep them under his protection, guide them, and continue to shower his blessings upon them. They will be missed dearly.

Dear Year 6,

This year has been a strange year. We have had to cope with unthinkable circumstances. I am grateful for all the memories we have shared together this year; in school and also the times we shared in our online teaching from home. Each and every one of you holds a special place in my heart, and I'm going to miss you all dearly. You are going on to the next journey of your lives – Secondary school. Work hard and aim high! I pray Allah (SWT) brings you all success and keeps you under His protection, Aameen.

After School Cake Decorating

During our Spring term, we started our first afterschool cake decorating classes which went down a treat. Pupils were taught how to make buttercream, learn to pipe and decorate cakes using various techniques. The lessons were delivered by the talented Mrs Ruqaiyah Ravat. Pupils enjoyed these lessons very much.

Clemmy's Uniform Shop

School uniform information for parents. Clemmys is now open and their phone order line is in operation. Please call 0121-526-3992 to place your orders. The online ordering will be available by the end of July. www.clemmys.co.uk.

Build a Masjid update

We are delighted to share pictures with you of the completed Masjid we helped raise money for in November 2019. Alhumdullilah the Masjid is ready for use by the local people of Zambia in Kapembwa village in Northern Zambia. As a school we made unanimous decision to name our Masjid – Masjid Rahman. May Allah (SWT) accept all our efforts and make it a means of Sadqa – e-Jaria for many years to come. Jazakallah to all our pupils, parents and staff for helping us raise our target and for all your continued support. May Allah (SWT) reward you all. Aameen.

Special Mention

A special mention goes out to **Mohammed Izzadin Khan** for his outstanding work during lockdown . He has been keeping busy, displaying some amazing baking and artistic skills. Some of which can be seen below. We would like to say a huge thank you to him and his family for sharing these lovely pictures with us.

New Playground Markings

During our school council meetings, pupils requested playground markings to make playtime more enjoyable. The money raised earlier this year was used to fulfill our pupils request. We look forward to them enjoying the games when they return in September.
