

# INVESTING PROPOSAL

▶◀ COPYRAGE

A social aggregator for trading/betting/stocks

# WHAT PROBLEM WE SOLVE

## Users can:

- have a shared wallet to act immediately
- trade / bet / invest on any of connected platforms
- copy each other and be copied
- stay in favorite platform (act via api key)
- post and share content
- make deep technical analysis
- trade with intraday leverage
- write and use custom scripts
- use internal messenger
- issue a branded debit card to withdraw funds 24/7

**Important:** all traders and bets are executed externally.  
CopyRage is not executing any «license requiring» activities.  
This means, no regulator or license issues can happen to our platform.

# WHAT WE OFFER

CopyRage is establishing a joint-stock company in Luxembourg. Every investor receives shares of the company according to the shown table. Investors have the privilege to sell their shares at the beginning of every next investment round. Shares sold to investors are dividend shares. Dividends are paid quarterly after Round A.

	Pre-Seed	Seed	Round A	Round B	Round C
Price per €100 Share	<b>€50</b>	<b>€75</b>	<b>€100</b>	<b>€150</b>	<b>€200</b>
Profit from Pre-Seed	-	<b>150%</b>	<b>200%</b>	<b>300%</b>	<b>400%</b>
Profit from Seed	-	-	<b>133%</b>	<b>200%</b>	<b>266%</b>
Profit from Round A	-	-	-	<b>150%</b>	<b>200%</b>
Profit from Round B	-	-	-	-	<b>133%</b>
Profit from Round C	-	-	-	-	-
