CONDUCT AND DRESS

The Newark Educators Community Charter School Board of Trustees expects staff conduct to be that of appropriate role models for students.

The board expects all staff members to be neatly groomed and dressed in clothing suitable for the subject of instruction, the work being performed, or the occasion.

The board retains the authority to specify the following dress and grooming guidelines for staff, within law, that will prevent such matters from having an adverse impact on the educational process. All staff members shall, when assigned to school duty:

- A. Be physically clean, neat and well groomed;
- B. Dress in a manner reflecting their assignments;
- C. Dress in a manner that does not cause damage to school property;
- D. Dress and be groomed in such a way so as not to cause a health or safety hazard.

If a staff member feels that an exception to this policy would enable him/her to carry out assigned duties more effectively, a request shall be made to the principal/lead person.

Unbecoming Conduct

When an employee, either within the school or outside normal duties, creates conditions under which the proper operation of the school is affected, the board upon recommendation of the principal/lead person and in accordance with statute shall determine whether such acts or lack of actions constitute conduct unbecoming a school employee, and if so, will proceed against the employee in accordance with law.

Unbecoming conduct sufficient to warrant board review may result from a single flagrant incident or from a series of incidents.
