Dear NECCS Families;

I wanted to take a moment to share with everyone that I will not be returning to NECCS for the 2021-2022 school year. Serving this community and being a part of your children's journey has been a privilege and an unforgettable and rewarding experience. NECCS has helped me grow personally and professionally, and for that I thank you sincerely.

I know this will bring questions regarding the future leadership of NECCS. Please know that the board and I are working closely together and every effort is being made to ensure that NECCS has a smooth transition into the new school year.

Thank you again for the honor of being a part of your journey.

With deep gratitude,

Katherine V. Martinez  
Executive Director
