

Level 7

Senior Leadership Masters

MA in School Leadership and Management

This 24 month combined Master's and Apprenticeship programme in education surpasses previously available school leadership programmes in terms of its depth of content, quality of learner experience and 1-2-1 executive coaching.

Features & Benefits

- ✓ The most popular Leadership Masters in the UK
- ✓ World class academic content from Thinkers50, CMI and education system leaders
- ✓ An unrivalled package of support throughout your learning journey
- ✓ Reflect with colleagues in beautiful environments and accommodation
- ✓ Deliver a meaningful whole-school change project

Modules

1 Learning to Lead

Delivering the essential management and leadership skills required to fulfil the challenging but rewarding role of leading people and teams.

3 Strategic Leadership

Developing learners' understanding of how strategy is used to shape the vision, culture and values of schools'.

2 Operational Management

Building understanding of governance and legal requirements in relation to leading a school including strategic finance, strategic workforce planning and talent management.

4 Innovation & Change

Supporting learners' understanding of innovation and change, and specifically how to drive change and new ways of working across school.

What people think

"Trainers from the world of education, usually former headteachers, use their vast experience to ensure that apprentices benefit from high-quality training that relates to the work that they do."

Ofsted Report 2019

"The first residential has begun, the learning journey of emotional intelligence and leadership. A brilliant first day on the Senior Leader Masters Programme. We all feel empowered to make change in our schools. #ourNCEJourney"
