

Level 5

Education Management Programme

The leadership education on this programme is inspired by our guiding principles of servant leadership, coaching, performance achievement and leading outstanding teaching and learning.

Modules

1 Leading People

Delivering the essential management and leadership skills required to fulfil the challenging but rewarding role of leading people and teams.

3 Operational Management

Evaluating the impact of structure and governance on management and leadership to ensure operational efficiency is achieved.

5 Project Management

Providing learners with a deep understanding of how to manage projects including risk assessments in the live context of a change management project.

7 Building Relationships

Exploring the types and purposes of stakeholder relationships and the skills required to overcome challenges and manage these effectively.

Features & Benefits

- ✓ Develop and hone your leadership and management skills
- ✓ Access leading-edge content from thinkers and practitioners in all areas of the economy
- ✓ Deepen your knowledge of financial and talent management, build project management capacity
- ✓ Whole-school based project to drive improvement throughout your school

2 Personal Effectiveness and Decision Making

Learning how to be self-aware and building a professional profile through management of self – supported by online tools and coaching-style delivery.

4 Finance

Supporting learners to understand the principles of setting and managing budgets in line with school and regulatory guidelines. Includes a review of a live school budget.

What people think

"Trainers from the world of education, usually former headteachers, use their vast experience to ensure that apprentices benefit from high-quality training that relates to the work that they do."

Ofsted Report 2019

"Thought provoking and inspiring first Residential with NCE. Never felt more empowered to be my own version of an educational leader. Authenticity is the name of the game #ourNCEjourney"
