

Future Leaders Programme

Level 3 Team Leader Apprenticeship

This 12 month programme provides beginning leaders in schools with the opportunity to start their leadership journey. The programme sets a new standard in terms of its depth of content, quality of learner experience and coaching expertise.

Modules

1 Leading People

Building the platform for understanding leadership, organisational culture and inclusion and beginning to develop those skills.

3 Managing a Team

Developing the skills to manage a team that includes an inclusive style and an adherence to governance requirements.

5 Project Management

Providing learners with a deep understanding of how to manage projects in a complex school-based environment.

Just use your phone's camera app to scan

Features & Benefits

- ✓ Begin your leadership learning journey
- ✓ Understand yourself as a leader
- ✓ Learn to lead high performing teams
- ✓ Network with peers from other schools
- ✓ Fully funded through the apprenticeship levy

2 Who am I as Leader?

Learning how to be self-aware and building a professional profile through management of self – supported by online tools and coaching-style delivery.

4 Operational Management and Agility

Supporting learners with operational management issues within a school and how to manage the legal requirements of that role.

6 Finance and Budget Management

Developing a fundamental understanding of how school budgets work and making that relevant to the individual learner's role and situation.

PRICE

£4,500

* Funded by the apprenticeship levy

This programme is fully funded using your school or trust's Apprenticeship Levy funds. Please call 0208 221 9089 if you need support accessing your levy funds.

What people think

"Thought provoking and inspiring first Residential with NCE. Never felt more empowered to be my own version of an educational leader. Authenticity is the name of the game #ourNCEjourney"

 @ReganCharley

"Trainers deliver high-quality off-the-job training sessions, in which they combine their theoretical knowledge with their rich experiences of the education sector to create engaging lessons."
