

Copperstate Farms Builds Inclusive Wellness Center with Compelling New Dispensary Retail Concept Sol Flower

Sol Flower dispensary is now open seven days a week in Tempe with another location coming soon to Sun City, Arizona.

TEMPE, Ariz. ([PRWEB](#)) August 01, 2019 -- Copperstate Farms Management, LLC, a vertically integrated cannabis company, today announced the launch of its new dispensary retail concept Sol Flower. Its first location is now open at the corner of Weber Rd. and McClintock Rd., 1322 N. McClintock, in Tempe, Arizona.

Sol Flower will open a second dispensary location with an adjoining Café and Wellness Center in Sun City later this summer. Designed to be an inclusive community hub, the multidisciplinary Sol Flower complex is the first in Arizona to build a dispensary retail environment with adjoining public-facing establishments.

“We wanted to create an innovative and inviting space that empowers wellness for all members of the community,” stated Pankaj Talwar, President and COO at Copperstate Farms. “Sol Flower is about living life to the fullest with values rooted in love, empathy, and mindful communication. We aspire to provide awareness and educational classes to help members of our community live their lives with soul.”

Designed to serve Arizona’s diverse demographics, Sol Flower showcases a thoughtfully curated product mix. Medical cannabis patients will have access to craft flower, premium concentrates, full-flavored edibles, industry-leading vape pens and cartridges, and high-performance tinctures and topicals. Featured brands include award-winning Moxie Concentrates, Item 9 Labs, and Good Things Coming.

The Sun City Sol Flower location will offer a diverse curriculum of educational courses for the general public and Arizona medical cannabis licensed cardholders. Rotating topics will cover an array of healthcare subjects, including cannabis 101, medical cannabis for senior health, a guide to essential oils, and more. Additional classes will focus on physical and mental rejuvenation, such as yoga, demystifying meditation, cooking with CBD, and mindfulness training.

Next door, the Sol Flower Café will offer premium coffee and espresso from Press Coffee Roasters, as well as a healthy menu of non-medicated breakfast and lunch items. The Café’s bistro ambience offers an additional social space open to the public.

“We are beyond thrilled to announce the opening of our Sol Flower Tempe location which coincides with the return of many Phoenicians from their summer breaks,” stated Allie Marconi, Director of Marketing at Copperstate Farms. “Sol Flower Tempe will be a resource for patients to explore alternative healthcare and tap into our team of dedicated wellness experts.”
