

## OUTSIDER COLLECTIVE COVID-19 PLAN

The Outsider Collective is committed to making sure everyone stays safe during this time. We are taking measures to ensure the safety of all participants and instructors.

Below are the guidelines that you are adhering to in order to participant in OC Art Camp.

When arriving to the OC, camp participants ONLY will be permitted inside the studio. Chairs in the hallway outside the studio will be provided for staff/parents/guardians who wish to stay for the class. If dropping participant off, they will need to be picked up promptly at the end of the class.

No more than 4 students per class and 1 instructor in the studio at any one time. If a participant requires a staff close by at all times, that class size will be reduced to stay compliant with regulations.

Participants and instructors will wear masks at all times. If a participant cannot wear a mask, exceptions will be made and extra distancing will be implemented. Instructors will wear gloves at all times.

All participants and instructors will use hand sanitizer before entering the studio, throughout the class, and when leaving the studio.

All participants and instructors will practice social distancing at all times. Each participant's art station will be spaced accordingly.

All participants will have their own art supplies in their individual "art boxes". Sharing of supplies is prohibited.

No outside food to be permitted inside the studio.

Immediately following each class, all surfaces will be cleaned and disinfected, including tables, door handles, cubbies, and anything that has come into contact with an individual.

Prior to entering the studio, participants or their guardians will sign a release stating they are in good health and are not experiencing any symptoms that may or may not relate to COVID-19.
