

Outsider Collective

Changes for the upcoming 2 weeks

Our top priority is to keep all our members as safe as possible. Although we are confident in our cleaning regimen and our practices of social distancing and mask wearing, we have decided to offer additional, alternative online programming for our members to take part in from home if they wish.

We are encouraging members that can use our online programming to please do so for the next two weeks while we assess the recent Thanksgiving holiday impact on the virus spread and take into consideration the pause that the state is implementing for these next two weeks.

Below is our new programming we will be hosting via Zoom as well as our amended studio time:

Zoom Programming:

- 2 Week Online Course
- "Visual Storytelling"
- Options for two 1 hour Classes/ Activities a day Via Zoom
- OC Art Kit Delivery (OC will deliver art kits to all members of the OC)
- 1 Hour weekly 1:1 Meeting with our members Via Zoom

Studio Time:

Our studio will still be open for members, however, we will be operating at a limited capacity to ensure the safety of our members and our community.

- 2 members (along with their staff MAX at a time)
- Appointments **MUST** be made online. If appointments are not made online, there is a possibility of space not being available.
