Consider This…

1. How does Jesus' teaching in Mark 9:43–48 relate to Jesus' teaching in Mark 8:34–37?
2. Some think the eyes, hands, and feet in verses 43–47 represent what we see, what we do, and where we go. If so, do you need to change what you see, what you do, or where you go?
3. The Bible occasionally links sins to body parts, for example in Job 31:1, 5, 7 and Proverbs 6:16–19. Why do you think that is?
4. Jesus wasn't afraid to warn people about the dangers of hell. Are you? Why or why not?
5. How can we ensure we are consistently salty?

* For personal study: Using these verses, identify the salty characteristics of someone who is totally dedicated to Jesus.
