

June 24, 2021

As you know, the Commonwealth lifted mandates on businesses on May 29. At that time, private businesses became free to establish their own policies.

We chose to continue to require masks of all employees and customers through June. We based the decision on the perspective of the majority of clients and employees, the physical closeness of our work, and the knowledge that the month of June represented one visit to the salon for most clients.

Given the continued progress in the state, **we have decided to lift our mask requirement effective June 28.**

At that time, all clients and employees will be free to choose whether to wear a mask or not. If you prefer a stylist with a mask, please contact the salon and we will accommodate your request.

Separate from masks, we will continue common-sense measures such as plexiglass in certain areas, enhanced sanitation, and extra distance where possible. If there's any special accommodations we can reasonably make for you, we will.

I want to thank our team for their professionalism and you for your feedback patience, loyalty, and business.

Respectfully,

A handwritten signature in black ink that reads "Frank". The signature is stylized and written over the word "Respectfully,".
