INT. LIVING ROOM - NIGHT

Jumanji drumming sounds.

Cards Against Humanity - Jumanji Edition drops onto the table.

LARA
"Adventurers beware."

Four friends are sitting around the table. LARA reads the rules as The drumming intensifies.

LARA (CONT'D)
"The words on each winning card will come to be, and only vanish when a player scores three."

CRAIG, JENNIFER and TIM all look worried.

LARA (CONT'D)
Fun!

Everyone smiles and laughs. LARA deals, then reads her card.

LARA (CONT'D)
I'll start! **Why am I so sticky?**

Everyone plays their answer cards to LARA.

LARA (CONT'D)
'Boogers', 'Lactation', 'Fiery poops'.

They all laugh childishly after each card is read.

LARA (CONT'D)
I pick... Fiery poops, as the funniest.

CRAIG
That one was mine!

LARA slides the winning card to CRAIG. It glows. No one notices.

They all laugh, except for CRAIG. His gaze tightens. Jumanji music starts. He runs to the bathroom and slams the door.

JENNIFER shrugs and grabs the next Question card.

JENNIFER
Why do I hurt all over?

Everyone plays their cards, except CRAIG.

LARA

Craig are you gonna pick a card?

The outside of the bathroom door. Intense Jumanji drumming and flame sounds.

CRAIG (O.S.)

Noooo...

LARA adds one of CRAIG's cards to the pile. JENNIFER gets ready to read them out.

JENNIFER

Being on fire, Uppercuts, and...

JENNIFER laughs.

JENNIFER (CONT'D)

A mime dying of a stroke. That's the winner!

TIM

That was mine!

JENNIFER slides the card to Tim. It glows. Everyone notices.

A fully dressed mime bursts through the door, clearly in physical distress. He tries to do the 'in a box' routine, but struggles because he is having a stroke.

He starts pleading for help as everyone looks on in horror. Finally the mime dies. Everyone is silent and shocked.

TIM (CONT'D)

(almost crying)

Did he just DIE from a stroke?

JENNIFER

Yes... the silent killer.

LARA

Oh my God... it's all real. We need to finish the game. To stop it.

Screaming and flames heard from the bathroom.

JENNIFER

I'll read for Craig. **Blank, betcha can't have just one.**

Everyone plays their cards.

JENNIFER (CONT'D)
A time travel paradox, genital
piercing, being rich.

TIM
Pick 'being rich'!

Lara goes to grab that card out of her hand, but it is stuck.

JENNIFER
It's not going to let me do it.

TIM
The game will only let you take the
card YOU think is the funniest.

JENNIFER
(embarrassed)
Ok. The winner is genital piercing.

TIM
Nooo!

LARA puts the Question card in front of TIM's pile. It glows.
Three piercing sounds. TIM grimaces in pain at each one.

JENNIFER
Now you have six?

TIM grabs a question card.

TIM
**What did the US airdrop to the
children of Uzbekistan?**

JENNIFER
Ok guy this is a good chance to get
rid of your dangerous cards.

TIM
No! That's a whole country of
innocent kids. Promise me you
won't.

They all murmur and agree, before playing their cards.

TIM (CONT'D)
Thank you... 'Child Abuse'. Come on
guys!

JENNIFER looks sheepish.

TIM (CONT'D)
 (disgusted)
 'Mecha Hitler!'

TIM (CONT'D)
 (smiling)
 'Puppies'.

LARA
 That's mine!

TIM
 Thank you! It's the nicest card,
 and the funniest.

TIM places the winning card in front of LARA. It glows.

The TV (or radio) turns on in the background, it is breaking news showing destruction in Uzbekistan.

NEWS REPORTER
 Uzbekistan in ruins. An airstrike
 of puppies is causing mass infant
 deaths. To make matters worse, the
 puppies are also dying. Frankly,
 I'd prefer a Mecha Hitler.

TIM
 Oh God...

TIM quickly passes the next question card to LARA.

LARA
**For my next trick I will pull BLANK
 out of BLANK.**

Everyone plays their cards. LARA reads them quickly.

LARA (CONT'D)
 Ok, this one is the funniest. For
 my next trick I will pull 'flying
 sex snakes' out of a 'bop-it'.

JENNIFER holds up a vibrating Bop-It.

JENNIFER
 Oh no!

JENNIFER runs off and throws the bop-it into a random room.
 LARA slides over the winning card. It glows.

Beat.

CRAIG (O.S.)
Oh cool, a bop-it.

JENNIFER looks worried.

From the bathroom we hear sounds of a bop it game: *Bop it, twist it, crank it, flip it...*

CRAIG (O.S.) (CONT'D)
What the hell! Flying snakes? Why
are they pulling off my pants? WHY
ARE THEY PULLING OFF MY PANTS!?

Screaming noises, flames and snake sounds can be heard.

Beat.

JENNIFER
Do you think he's still pooping...

JENNIFER grabs the next question card.

JENNIFER (CONT'D)
**This is the way world ends, not
with a bang, but with a BLANK.**

TIM
I only needs one more to win.

JENNIFER
(looking at card)
Guys... it's an 'All-Play'...

Everyone, including JENNIFER, plays their cards. All the cards glow. Everyone looks worried.

JENNIFER (CONT'D)
Not with a bang, but with 'the
miracle of childbirth'.

Beat

CRAIG (O.S.)
(screaming)
Oh God!!

JENNIFER starts rushing.

JENNIFER
A 'moment of silence'.

JENNIFER goes to read the next card, but can't speak.

Beat.

CRAIG (O.S.)
 The snakes are not gentle lovers!!
 This is not the world I want to
 bring a baby into!

JENNIFER
 A thermonuclear detonation...

A nuclear explosion is seen through the window. Its blast radius is rapidly approaching.

TIM
 Hurry, my card is the only one
 left.

JENNIFER grabs the last card. The explosion is about to hit.

JENNIFER
 An M. Night Shyamalan plot twist.

Everything slows down as JENNIFER picks the winner. The explosion is seconds away. She places the winning card in front of TIM.

The card glows again. The screen goes completely white.

TIM
 (softly)
 Jumanji... Edition.

FADE TO:

All the cards are back in the deck, and the box is neatly in the middle of the table.

Only one card sits out, 'An M. Night Shyamalan plot twist'.

TIM, LARA and JENNIFER are all on the ground, dead.

CRAIG
 They were dead the whole time...

CRAIG is standing at the edge of the table, completely normal. He puts on sunglasses and walks away.

Holding a new born baby.

He steps over the mimes corpse.
