The firm has received the with the International Property Awards’ “World’s Best” Award for two of its Illinois projects. The awards, which are in the Residential Interior Private Residence category, are for the firm’s Casa Blanco and Glen Ellyn Residences. “I am honored that the International Property Awards recognized Lauren Coburn LLC for two of its projects,” said Lauren Coburn, principal of the firm. “I was incredibly fortunate to have had the opportunity to conceptualize, design, and make these projects a reality for my clients. To be able to completely transform the aesthetic of a home, to have had the opportunity to design my own pieces, and bring the project to life is a designer’s dream. Being recognized for these projects is incredible for my company and is a testament to the quality of my team and each of the other teams with whom I worked to make these projects a reality. As we move forward through the pandemic and beyond reimagining the spaces where we live and work, these projects highlight and underscore the level of creativity, service, and diligence that Lauren Coburn, LLC. offers its clients,” Lauren said.
