

# ESSTS European Society for the Study of Tourette Syndrome

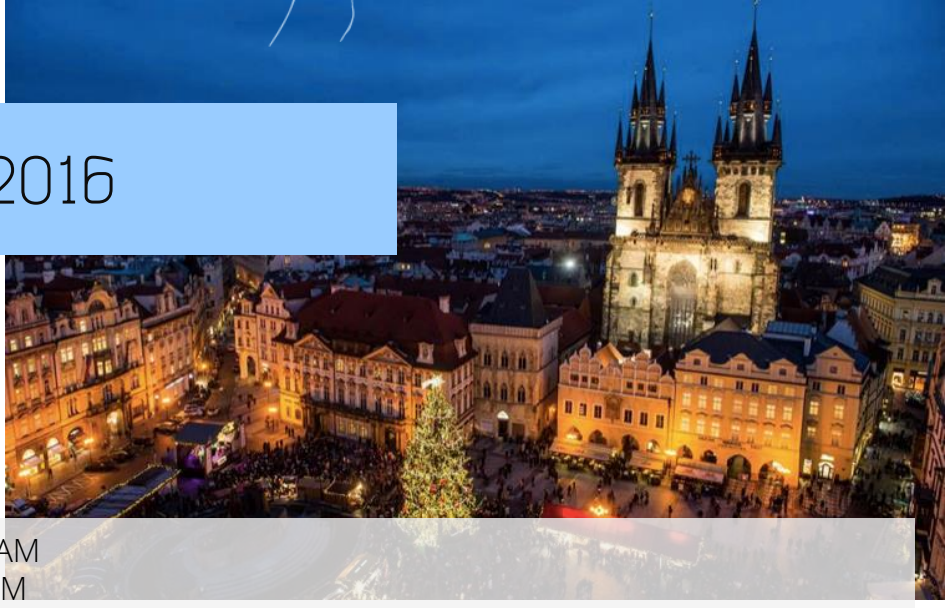

A European Community network working

for the global promotion of

awareness, research and treatment

of Tourette Syndrome

## Warsaw, POLAND 2016

**Start Time:** 08 June 2016, 8:00 AM

**End Time:** 11 June 2016, 5:00 PM

**Where:** Medical University of Warsaw Didactic Center, Warsaw, Poland

### 9th European Conference on Tourette Syndrome and Tic Disorders

The 2016 Annual Meeting of the European Society for the Study of Tourette Syndrome and 9th European Conference on Tourette Syndrome and Tic Disorders was successfully held on June 8-11, 2016 in Warsaw, Poland, at the Medical University of Warsaw Didactic Center.

200 delegates from around Europe met to discuss on current advances in the neurobiology but also the clinical management of TS and tic disorders. Keynote speakers featured Prof Mary Robertson from UCL and Prof James Leckman from Yale University. In recognition and deep appreciation of his contribution in the field of Tourette Syndrome Research, Diagnosis and Management, and his impact on furthering our understanding of Tourette Syndrome, [Prof. Leckman](#) was presented with the ESSTS Lifetime Achievement Award. [The meeting proceedings will become available shortly via Frontiers.](#)

The Mary Robertson Award for Research Contribution was presented to [Ahmad Kanaan from the Medical University of Hannover](#), a fellow of the Marie Curie Initial Training Network, [TS-EUROTRAIN](#).

Best oral presentation awards were presented to Valerie Brandt from the University of Luebeck and Francesca Rizzo from the University of Ulm.

Best poster presentation awards were presented to Fotis Tsetsos from Democritus University of Thrace and Camilla Groth from Herlev University Hospital

We look forward to seeing you next year in Seville!
