Work Experience

UX/UI Designer Freelancer

2017-Current | Remotely

I'm working as a UX/UI designer using my knowledge to design new solution platforms and consult for international and local clients.

Designer "Inbal Dror" Haute Couture

2018 | Tel Aviv - Israel

I've designed and developed the brand NYBFW 2019 collection while managed local and international clients.

Design Intern "Delta Galil" Industries

2018 | Cesarea - Israel

I've analyzed the WGSN trend story and concept to match the brand core value. Designed the guidelines for the 2018 collection and created tech paces & graphic arts for print.
