

Experienced Interior Designer

Role Outline

Jolie is a leading interior design practice based in Manchester.

We focus on sensory led design with sustainability at its heart and have a really exciting new opening at the business.

We are looking for an Experienced Interior Designer to work within our design team - this role requires a confident individual, comfortable with leading key projects in the commercial sector, working efficiently within our processes as well as joining the Creative Director on delivering pitch work.

You will provide design team leadership, and have 3+ years experience across all project phases from initial concept development to completion, working with onsite teams, suppliers and contractors.

Key Responsibilities

- *Work with our interior design team to develop solutions
- *Research concepts and materials to support design team on technical issues influencing concept development
- *Work within timely schedules to coordinate the completion of tasks through to final project completion
- *Conduct on-site observations and provide recommendations to help streamline ongoing design projects
- *Prepare and participate in client presentations
- *Select furniture, materials, decor and finishes while keeping within budget.

If you are a Mid-weight Designer looking to step up, or a Senior Designer looking for an independent studio to grow with - then get in touch to hear more about this amazing opportunity.
