

Hello!

*Did you begin the 2020 Nine Pin 26er challenge and complete the first four ciders: Strawberry Sour, The Merwin, Belgian Spy, Matcha Mandarin?
Then this message is for you!*

We appreciate your patience over these past two difficult years and are so excited as we gear up for the return of the 26er challenge!

To those of you that received the first four 26er ciders in 2020, know that Nine Pin will honor them! We're extending this offer as a token of our gratitude for the effort you made in 2020 before the shutdown. Don't worry if you lost your punch card, we have your names and punch date recorded at the cidery.

We still ask that you sign up for the 2022 challenge on eventbrite. Registration is free.

Of course, as a cider enthusiast, you'll likely want to come down and try the first four ciders of this year's challenge, as they will all be new! Thanks to each of you for being such loyal Nine Pin Cider fans. We are truly looking forward to the start of the Nine Pin 26er 2022 challenge this January!
