

# Mission

## Instant Discount Program

### Get Up to 5% Off Your Entire AWS Bill

With the Mission Instant Discount Program (IDP), you can get up to 5% off your monthly AWS bill each month for the first 12 months, no long-term commitment required\*. You will also get access to Mission's core AWS resale service, Mission Cloud Foundation, for additional cost optimization and governance.

### Mission IDP Benefits

#### Guaranteed Predictable Savings

Mission uses its consolidating buying power to achieve additional savings and provide you with up to a 5% guaranteed discount on your AWS spend.

#### Additional Cost Optimization and Governance

With Mission Cloud Foundation, you will get access to Mission Cloud Analysts and CloudHealth. We will help increase your visibility into usage and drive further cost optimization and governance within your AWS environment.

#### No Minimum or Long-Term Commitments

Many private pricing programs for AWS require prepayments or revenue commitments, long-term contracts, and growth clauses. Mission takes a different approach with the IDP by providing you immediate guaranteed cost savings without the long-term financial risk.

## Frequently Asked Questions

### 1. What are the requirements to get started in the IDP?

To get started, simply sign up with Mission's AWS resale program!

### 2. Can I continue to use Reserved Instances (RIs) and Savings Plans under the IDP?

Yes, you can continue to buy RIs and Savings Plans under the IDP. The IDP discount will also apply to any upfront payments made for RIs and Savings Plans.

### 3. How do I get started with IDP?

To get started, please visit: <https://pages.missioncloud.com/idp> and fill out our brief survey.
