**Re:** Jersey Triathlon Sunday 11<sup>th</sup> July 2021

---

Could you please put out the following information: -

The information below relates to the Jersey Triathlon 2021.

I would be grateful for your help in keeping the public up to date with the following points. If you require any further information or you would like any points clarified, you can contact me on 811894. As always, I am available to come and speak on these items.

Notice is hereby given in accordance with Article 67 of the Road Traffic (Jersey) Law 1956 as amended, that in connection with the Jersey Triathlon certain roads will be closed or restricted in their use as set out below, in the parishes of St Helier, St Lawrence, St Peter and St Brelade, St Ouen and St Mary.

#### **ROAD CLOSURES on SUNDAY 11 JULY 2021**

---

##### **Victoria Avenue, St Helier / St Lawrence**

###### **Between 0645 and 1400:**

Victoria Avenue West Bound from West Park to Bel Royal will be closed, therefore all traffic will be diverted onto the inner road at West Park. Traffic (with the exception of buses) will be directed up to St Peter's Valley, until approximately 1130. ***After this time (11.30) Westbound traffic will be allowed back onto Victoria Avenue at First Tower.***

Access East bound onto Victoria Avenue is unaffected, and the road will be open as normal, however drivers should exercise caution between 0845 and 1100 as cyclists join the Eastbound lanes as the return from St Peter's valley, before they cross over to join the Westbound lanes of Victoria Avenue at Bel Royal.

##### **St Peter / St Brelade**

Traffic coming down Beaumont Hill and La Haule Hill and will be diverted eastbound between the hours of 0800 and 0930, unless they are coaches or buses.

#### **DELAYS ON ROADS**

---

Traffic travelling along the south coast will experience delays from 0645am until 1400 as Victoria Avenue will be closed west bound.

Traffic traveling on the roads that are also used for the event bike course (roads in the parishes of St Helier, St Lawrence, St Peter and St Brelade, St Ouen and St Mary) will experience some delay between the times detailed in the below table, as participants move through the course.
