

# Tri-County Airport Fly Out

Tuesday September 7<sup>th</sup>, 10 am - 5 pm  
2C6 – 19nm SE of Galesburg Municipal Airport

The history of one of the best grass strips in Central, IL hosted by Dave and Cathy Shipley at their home airport. Dave and Cathy will be giving informative tours of their new hangar/house and will discuss the history of the Tri-County Airport. Snacks and refreshments will be provided.

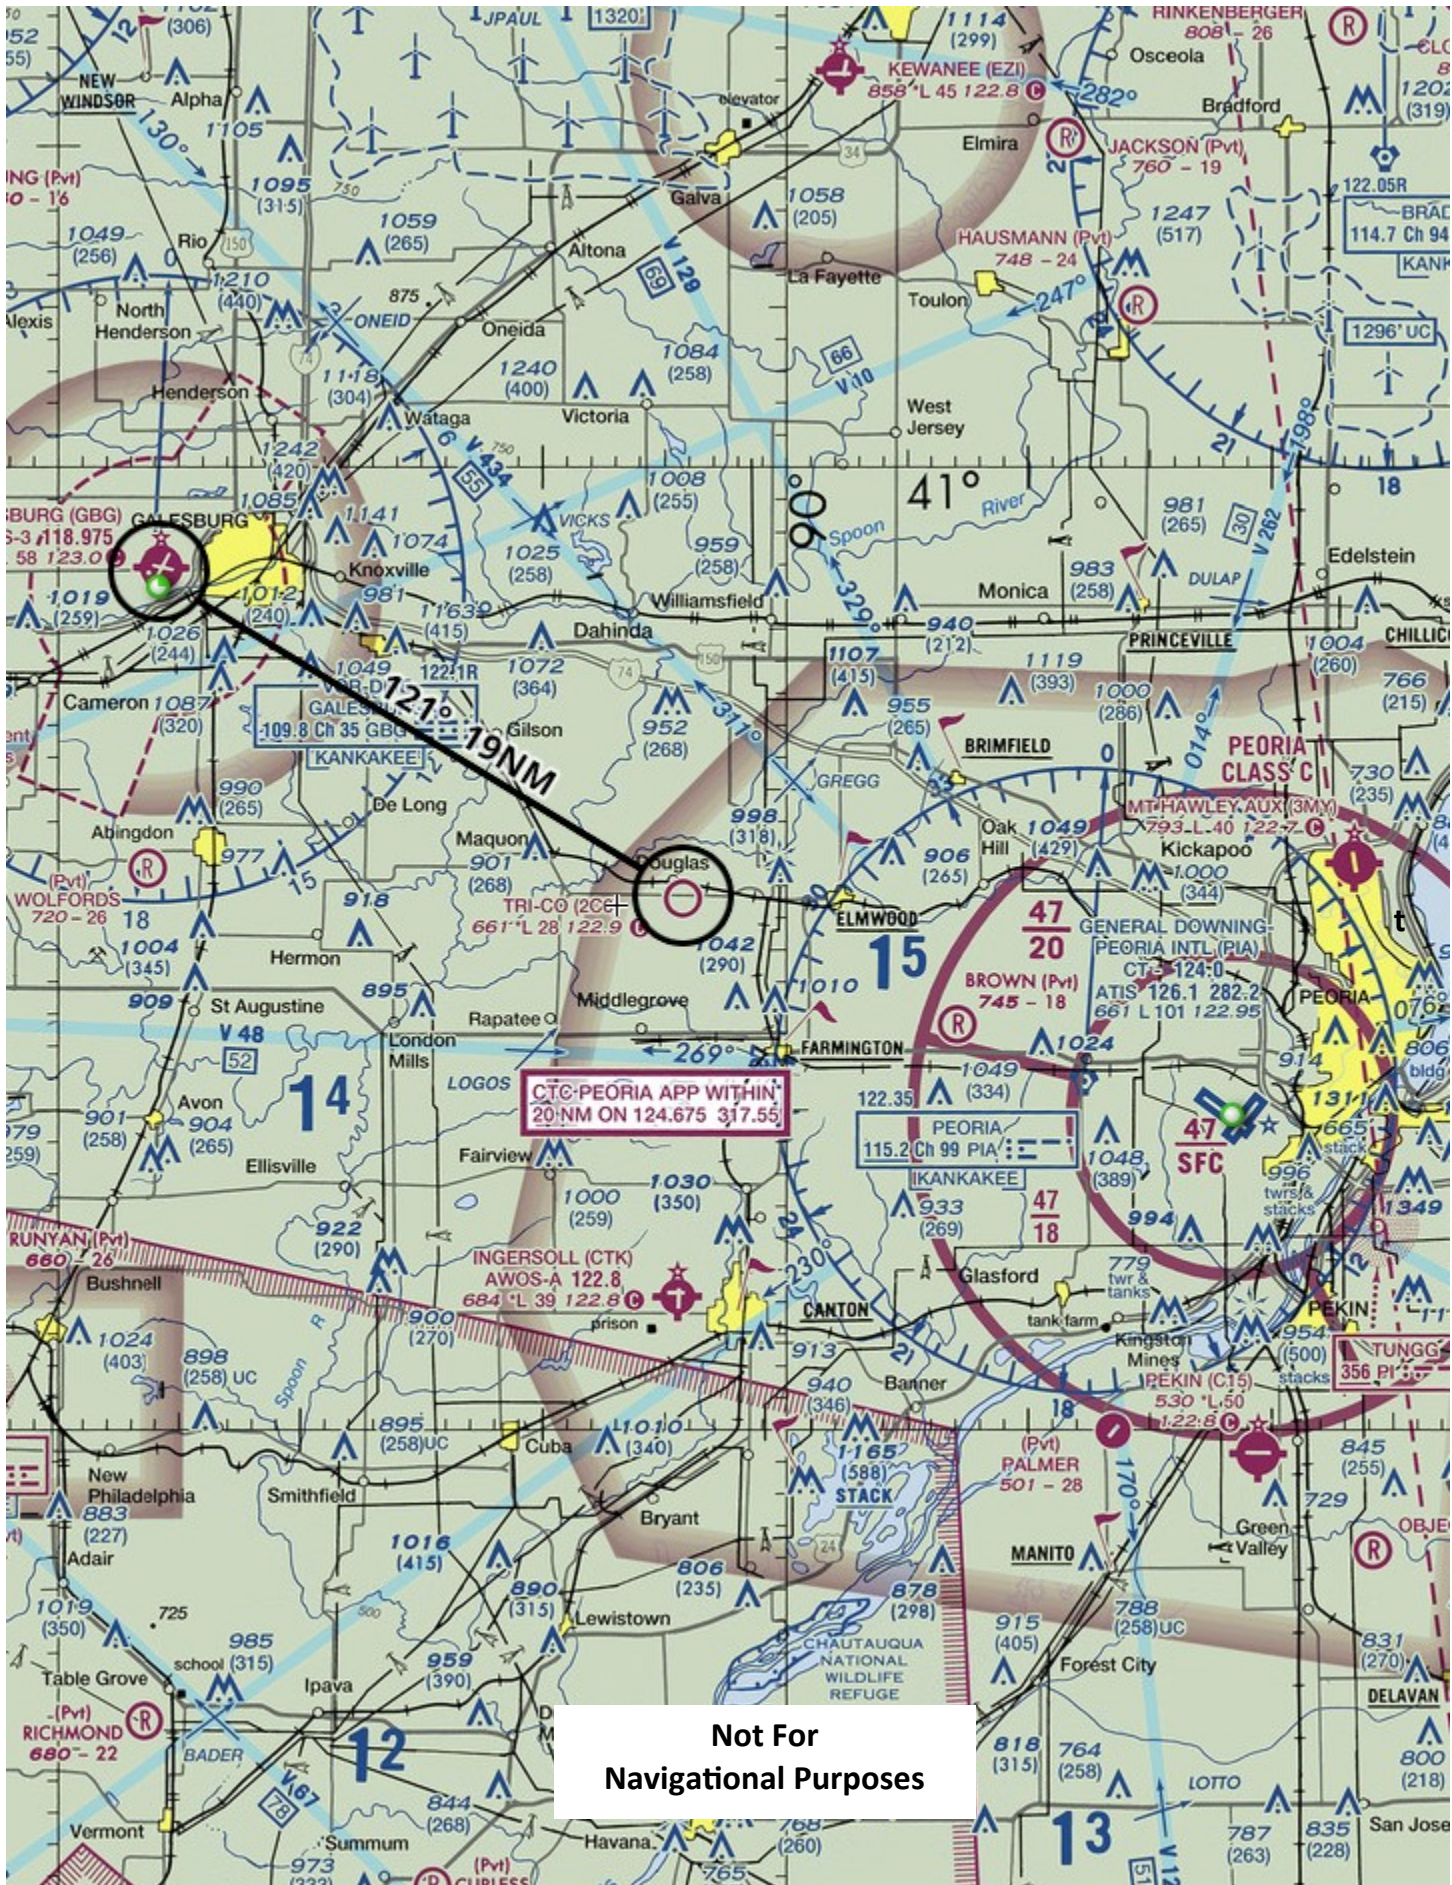

Arrive and depart in style at your leisure between 10:00 AM and 5:00 PM. Dave and Cathy are heavy supporters of keeping General Aviation alive in the area and welcome the Stearman Pilots and attendees to their home airport for a fun look at how their airfield came to be.

Tri-County is located just west of Yates City, off Illinois Route 8. If you drive, take I-74E from Galesburg towards Peoria, IL. Take exit 54 for IL Route 97 through Maquon. Stay left at the fork and approximately 5 miles east on IL Route 8, Tri-County Airport is up a short incline to the right... you'll see the sign!

For those flying in, Tri-County Airport is 2809ft long by 150ft wide, with runways 02/20.
