

9.30.140 - Parking time limits.

- A. The traffic engineer is authorized to determine places in which there is public demand or necessity for short-time parking and to designate such places by proper signs indicating the time limit for parking.
- B. When official signs are erected indicating time limit parking in places as authorized in this section:
  - 1. Except as provided in subsection B.2 of this section, no person may stop, stand or park a vehicle in such designated place for a time longer than indicated on such signs.
  - 2. No person may stop, stand or park a vehicle that displays a valid handicapped parking permit issued or approved by the traffic engineer in such designated place for a time longer than 1.5 times the maximum time indicated on such signs.
