Enforced Academy closure due to gas repair work – Thursday 25th February 2021

Dear Parent/Carer

We have unfortunately had to take the decision to close the Academy on Thursday 25th February, due to gas repair work and the potential for excavation close to the school building. Engineers are currently on-site trying to resolve the issue.

To ensure the health and safety of all students and staff on site, we have been instructed to close the Academy tomorrow, to allow the issue to be resolved. We hope to be able to reopen to the students of critical workers and our vulnerable students on Friday. Any updates will be posted on our Academy website and Firefly portal.

If you are a key worker, with absolutely no alternative childcare arrangements and you feel it is not safe to leave your child at home for this one day, please contact Mr Fagan (KS3) ifagan@saintwilfrids.com or Mr Lewis (KS4) plewis@saintwilfrids.com.

Online learning for all students will continue as normal on Thursday, with online registration taking place from 8:40 a.m.

We apologise for any inconvenience this short-term closure may cause.

With sincere thanks,

Miss C Huddleston
Principal
