Dear Parent / Carer,

St Wilfrid's Day services – Monday 11th October 2021

On Monday we celebrate St Wilfrid's day, which is an extremely important event in our annual Academy calendar. We celebrate worship together as a school community on this day with services held at both the Academy and at Blackburn Cathedral, with designated year groups and staff processing from the Academy to the Cathedral on foot.

On Monday **Years 7, 8,11 and 13 will be celebrating the occasion at the Cathedral** and will be supervised on their journey to and from the Cathedral, along a designated route by large numbers of teaching and support staff.

Years 9, 10 and 12 will celebrate the occasion with a special service held at the Academy in the Main Hall.

On Monday **all students** should arrive at the Academy no later than **8.40am** and make their way directly to their form rooms to leave their school bags and be registered. Those students attending the Cathedral will then be walked out to the yard to line up prior to departure. The Cathedral service will last approximately 1 hour with students returning to the Academy ready for Period 3 lessons. Students should ensure that they have the correct equipment.

It is crucial that any student who carries essential medication (i.e. epi-pen, asthma) carries this with them on Monday morning. Students are also advised to bring a warm, dark coloured coat.

Yours sincerely,

Mr JP Fagan
Assistant Principal KS3
