

CoronaVirus update 05/17/2020

Pop-Up Pantries End and Samaritan Care Food Pantry Continues:

Although we have needed to end our pop-up food pantries, we still look to serve our community with food bags to assist during these difficult times. Starting 5/21/2020 at City Mission's Samaritan Care Center on 84 W Wheeling, we will be handing out food bags to any one in need from 1-3pm. We will continue to do this every Thursday at 1-3pm. Note: We will not have drive-up service to delivery bags.
