City Mission Hosts Third Annual Golf Outing

On Monday, August 24, City Mission held their third annual Golf Outing, presented by Sunny Days In-Home Care, at Southpointe Golf Club in Canonsburg. 108 golfers teed up at the annual event, which benefits the life-changing programs and services at City Mission, a Christ-centered homeless and rehabilitative shelter providing housing and services for men, women, children, and veterans in need.

“A heart felt thank you goes out to our event sponsors and all those who came out to support the City Mission during these challenging times,” said Dean Gartland, President/CEO of City Mission. “The Southpointe Golf Club staff along with the City Mission staff did a great job in making everyone feel safe which enabled everyone to enjoy a great day of golf”.

Originally scheduled in May, City Mission moved the event to August. With fewer COVID-19 restrictions imposed on golfers, the move created a better and safer overall experience for participants, staff, and volunteers.

Everyone enjoyed the beautiful weather, the gorgeous views of Canonsburg and the nearby rolling hills, and a wonderful day of golf.

About City Mission: For over 75 years, City Mission has sheltered, healed, and restored the homeless to independent living—without discrimination. City Mission’s comprehensive program addresses both short-term needs like food and shelter, and long-term needs, including drug and alcohol counseling, mental health and medical treatment, legal aid, and employment training. City Mission’s goal is to help each man, woman, mother with children, or veteran who walks through our doors to become a healthy, productive member of society. With your help, we can help our residents renew their lives.
