Mr. Johnson is the owner and founder of Source IEx, an Ex electrical equipment supplier, a recognized training provider (RTP) under the IECEx scheme, inspection company and provider of design assistance for companies working in hazardous areas.

Mr. Johnson has had an extensive career in the Ex field in equipment design, sales, sales management, is also a competency in Ex (CompEx) instructor and assessor, an Ex trainer under the IECEx scheme and an Ex inspector of equipment, skid packages and full installations. He is also a member of UL STP 60079 standards committee and has given multiple presentations for various organizations including IEEE, ISA, ABS, USCG and firms working in the oil and gas area in Texas and around the world. He and his organization also provide auditing services on behalf of QPS Evaluation Services, an Nationally Recognized Test Lab (NRTL) as well as an IECEx Certifying Body/Test Lab and an ATEX Notified Body for clients who require third party certification around both US and International standards.

Mr. Johnson has a Bachelor's degree from California State Polytechnic University Pomona and holds a Master's degree in Business Administration from Loyola University in New Orleans. He and his wife Pam have two engineering graduates of Texas A&M University working in the oil and gas industry. In his spare time, Mr. Johnson is a soccer referee and enjoys sailing and scuba diving.
