FR
Le choix des vis et chevilles dépendent du matériau dans lequel elles doivent être fixées. Utiliser des vis et chevilles adaptées au matériau de votre mur et le sol (non inclus). Attention: En cas de plancher chauffant, la colle ne est recommandé. En cas de doute, demander conseil à un conseiller de vente.

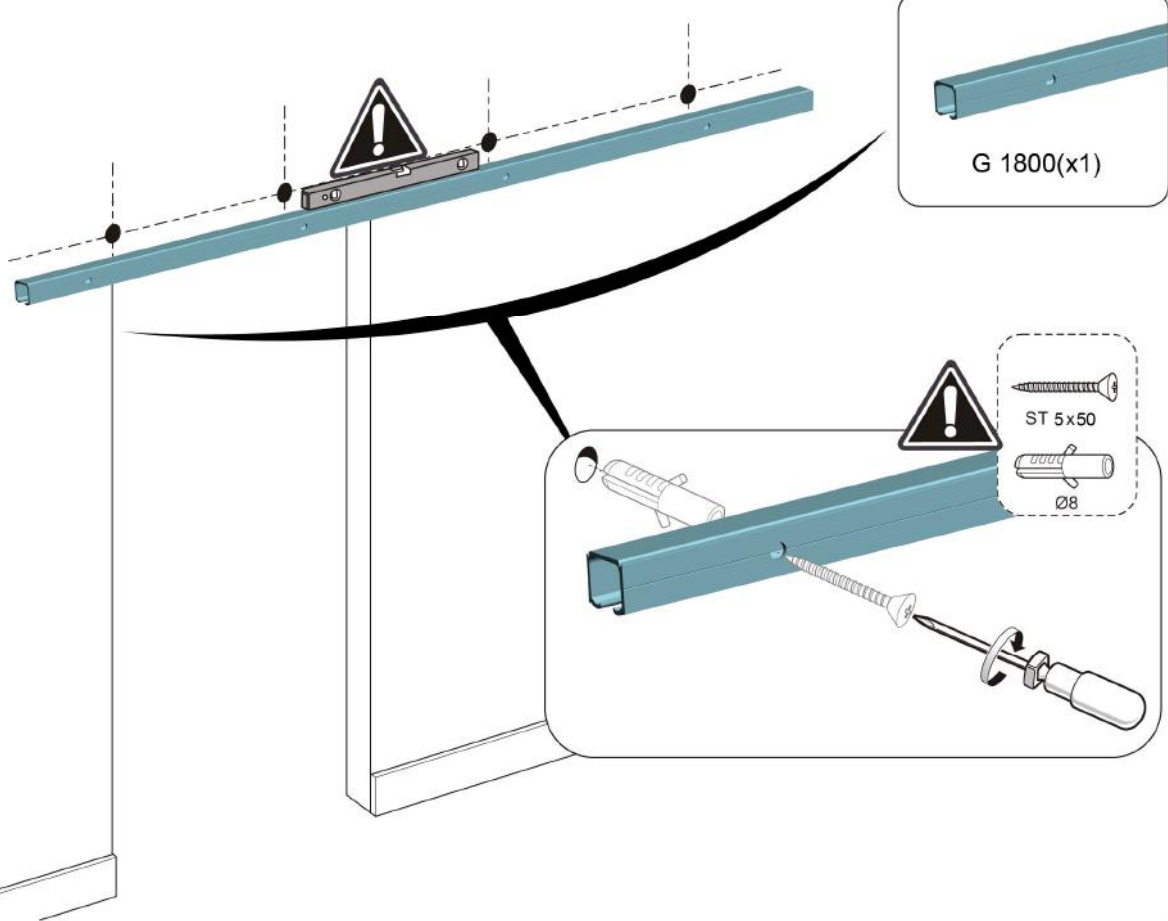

EN
The choice of screws and plugs depend on the material in which they must be fixed. Use screws and plugs for the material of your wall and floor (not included). Warning: Given floor heating, only glue is recommended. In doubt, seek advice from a sales consultant.

ES
Seleccione los tornillos y tacos en función del soporte al que vaya a fijar la guía. Asegúrese de utilizar los adecuados para su tipo de pared o suelo (no incluidos).
Advertencia: En caso de suelo radiante se recomienda el uso de adhesivo. En caso de duda, consulte a un asesor comercial.
