

Community director

Description

1. Management of UIS ambassador whatsapp group/email list
2. Communication of events & newsletter
3. Storage and analysis of data about the community members (who is doing what?)
4. Creation of added value (making sure that everyone is doing well)
5. Management of committees (which committee is necessary for what?) and volunteering activities
6. Member of the Hackathon committee (so development & performance of UIS workshop)
→ this could be done also by another board member

Requirements:

1. Strong organizational skills (be able to have a clear macro-vision of the community and long term vision)
2. Socially smart & self confident (it is important to be able to connect and inspire very different kind of students)
3. Inclusive attitude
4. Preferred: good public speaking skills in english (*for workshop*)
5. Preferred: good network in Utrecht and knowledge of UU student life both from Dutch & International perspective
