

## **Startup & Education Manager**

### **Description**

1. Coordinate the Student validation program, actively recruit startups and develop the program together with UI.
2. Coordinate of the ideation program. Actively recruit startups, keep developing the program and connect external relations to the program.
3. Responsible for the collaboration with the UU and HU. Jury courses, pitch at classes and champion entrepreneurship education (together with CFE)

### **Requirements:**

1. Experience with entrepreneurship
2. Theoretical knowledge about startups
3. preferred: natural English speaker (because of leading ideation program, jurying and pitching during classes)
4. preferred: able to be present at UtrechtInc for 2/3 days a week (you can also do other stuff too at UtrechtInc)
