

WALLTER© COOKIE POLICY

GENERAL

A cookie is a small amount of data which contains information that is downloaded to the device from which you access our site. Cookies are useful because they allow us and other websites to recognize your device. For more comprehensive information about how cookies work, see <http://www.allaboutcookies.org>.

Cookies are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site. For example, they can allow you to navigate between web pages of our site and remember your preferences such as your language selection.

TYPES OF COOKIES AND CONSENT

In order to comply with legislation, we have reviewed the use of cookies on our site and set out the information below. This is to ensure that you are aware of these cookies and are able to give your consent for the placing of some or all of these cookies on your device when you use our site. In summary, we use the following types of cookies:

- **Strictly necessary cookies** – these are cookies which are essential for our site to operate such as those which identify you so you can log into your WLT Account. They allow you to move around our website and use the services you have requested. These cookies will be activated when you enter our site and as you use our site.

Further details of the cookies we use and how they relate to the descriptions set out above can be found in Annex A to this policy. We may use other cookies from time to time in accordance with this policy. You can manage your cookies by adjusting your browser settings or by using our cookie pop-up tool. Please see next section below.

BLOCKING COOKIES

Should you want to continue using our services but restrict our use of cookies, you can block cookies by activating the setting on your browser which allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including Strictly necessary as set described above) you may not be able to access all or parts of our site. Our site may issue some of the cookies described above as soon as you visit our site unless you have adjusted your browser setting so that it will refuse cookies.
