

**Join us September 15-17, 2019
for the 5th International
Neonatal & Maternal
Immunization Symposium**

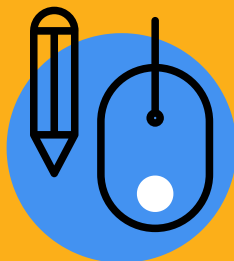

**Early bird registration discount available until
August 3, 2019**

Visit www.inmis.org for program updates and
information on registering

**You're invited to join experts and global leaders at the
Symposium to hear the latest progress, exchange ideas,
and discuss opportunities and challenges of neonatal and
maternal immunization in a global context.**

We look forward to you joining us in Vancouver!

www.inmis.org

**Visit the website for
registration, updates on the scientific
program, abstract submission, and
applications for travel bursaries.**
