## **SmokeNet Internet Purchase Agreement**

This SmokeNet Purchase Agreement (“Agreement”) for Internet sales between Introspective Power, Inc., DBA Introspective Networks, a corporation organized under the laws of Delaware with principal place of business at 11001 West 120th Avenue, Suite #400, Broomfield, CO 80021 (hereinafter “INTROSPECTIVE”) and the individual or company that is making this initial purchase (hereinafter “CUSTOMER”).

WHEREAS, INTROSPECTIVE is an entity involved in the development and sale of proactive cybersecurity solutions.

WHEREAS, INTROSPECTIVE is providing certain services to CUSTOMER.

WHEREAS, CUSTOMER desires to use INTROSPECTIVE’s SmokeNet solution that utilizes INTROSPECTIVE’s patented Streaming Transmission One-time-pad Protocol (STOP) technology.

WHEREAS, CUSTOMER agrees to abide by the terms and conditions of the End User Licence Agreement for as long as they are using SmokeNet or other INTROSPECTIVE Products.

WHEREAS, CUSTOMER will not engage in tampering with or destroying hardware, reverse engineering, and/or creating competing products to SmokeNet.

### **SCOPE OF WORK**

INTROSPECTIVE will provide its SmokeNet service to CUSTOMER to be installed and activated at CUSTOMER’s locations to include remote home locations to protect CUSTOMER’s internal data communications.

Details:

- a. INTROSPECTIVE to provide one SNAP5 access point (SNAP5) and SmokeNet service via one (1) SmokeCloud Switch. CUSTOMER will receive and install the SNAP5. CUSTOMER will assume responsibility for the SNAP5 upon receipt.
- b. INTROSPECTIVE will configure the SNAP5 prior to delivery to CUSTOMER. The SmokeNet software client included as part of the SNAP5 is licensed to CUSTOMER for the duration of this Agreement.
- c. INTROSPECTIVE will provide the underlying SmokeNet connectivity between the SNAP5 and the SmokeNet Cloud hub using a cloud based Virtual Private Server (VPS).
- d. INTROSPECTIVE will install and configure SmokeNet cloud services and will remotely assist CUSTOMER in the installation and activation of the SmokeNet end-user hardware.
- e. INTROSPECTIVE agrees to provide technical support on an as needed basis during this Agreement. Support will be provided via Email and Text Messaging. Emails will be responded to within two business hours of receipt. Phone support may be provided but will be initiated by INTROSPECTIVE at INTROSPECTIVE’s discretion.
- f. INTROSPECTIVE may perform maintenance or release software and/or firmware updates during this Agreement to address any issues identified during the Agreement and/or to improve overall performance and reliability of the service. Notice of maintenance will be provided when possible. For critical issues, emergency maintenance may be done at any time without prior notice.

g. CUSTOMER agrees and acknowledges that CUSTOMER is responsible for controlling physical access to SNAP5 access points, including those at remote home locations.

**TERM**

This Agreement will last for a minimum of one month from the date when CUSTOMER receives the SNAP5 hardware and will automatically renew on a monthly basis until terminated in writing (including email) by either INTROSPECTIVE or CUSTOMER. All aspects of this contract shall be in force as long as services are provided and survive even after the initial term expires. Any aspects of this contract dealing with Intellectual Property and licencing restrictions survive even past the end of services and remain binding.

**ADDITIONAL CONNECTIONS**

If more SmokeNet connections are required, please email INTROSPECTIVE at [sales@inets.us](mailto:sales@inets.us) for information.
