

Introduction

Stichting Sociale Bedrijven Dagen, the organiser of the Social Sciences Career Event, hereby wants to inform you about the Terms & Conditions that apply to our services. By making use of our services, the user agrees to these Terms & Conditions and is bound to this agreement.

Program

The program of the Social Sciences Career Event is set in advance and can be found on our website. We strive to comply with this schedule as accurately as possible. We reserve the right, however, to make any changes to the program -including its content, location and/or time- if deemed necessary by the organiser.

Registration

In order to visit the Social Sciences Career Event, registration (via Eventbrite) is required. Visitors are expected to be able to show a digital or printed copy of their personal ticket at any time during the event. More information about how and why we collect, process and store your personal data regarding the registration process can be found in our privacy statement.

Cancellation and changes to personal schedule

Ticket buyers will be able to make changes to their personal schedule themselves via their personal Eventbrite account as long as registrations are open. Ticket cancellations will be accepted up until 4 working days before the event. In order to cancel your ticket, please send an email including your full name and ticket number to secretary@sctiu.nl.

Cancellations based on exceptional circumstances that will be requested less than 4 working days in advance will not be accepted automatically and will be assessed individually. In case of a (possible) Covid-19 infection, the participant should inform the organiser prior to the start of the presentation/workshop the participant signed up for.

Penalty policy

By subscribing for activities during the Social Sciences Career Event you agree to face a penalty of €15 when you cancel less than 4 working days before the activity takes place or if you do not show up without a cancellation. Per extra activity where you do not show up and do not cancel, the Social Sciences Career Event organization will charge you an extra €5 on top of the €15. In addition, the company for which the participant subscribed will receive your name. This penalty exists to compensate the organization for already inquired expenses and to minimize no-shows.

Cancellation due to unforeseen circumstances

In case there are any unforeseen circumstances that do not lie within our power (e.g. a natural disaster, a pandemic or governmental rules and regulations, as stated in Dutch law Art. 6:75 Burgerlijk Wetboek) that leave us no other choice but to cancel the event, we reserve the right to do so.

Privacy

By buying a ticket (via Eventbrite), a participant bounds oneself to our privacy policy. We use the collected data for no other purpose than the organization of the Social Sciences Career Event.
