HOW TO PLAY

On each turn, one player draws a card.

If you draw a roast...whoever drew the card will decide the player it best fits, or the group can decide (your call).

If you draw a challenge...whoever drew the card will decide whether or not they will complete the action described.

After each turn, the game continues clockwise with a new player drawing a card.

How to Win

You get roasted = +1 Point

Complete a challenge = +1 Point

Mess up a challenge = -1 Point

Fill-In-The-Blanks (Challenge Cards Only)

Fill-in-the-blank cards are read aloud normally, and the group decides what to fill in.

Determining if a Challenge Card is Completed

Unless otherwise stated on a challenge card, majority vote determines if a challenge card was completed successfully.
