Dear Applicant:

Thank you for taking the time to pick up a "Girl of the Month" application. To apply you must be a high school senior on-track to graduate. Applicants are selected based on achievement, leadership, community service, citizenship, school/scholastic activities, and character. When filling out the application, please provide as much information as possible for your application to be considered. Turn in your completed application to the guidance office at BHHS as early in the school year as possible as we begin reviewing applications immediately.

If you are selected for the "Girl of the Month Award" you and a family member will be our guests for lunch at a Soroptimist meeting. We will ask that you go for an interview and picture at our local newspaper office and be interviewed at KURY radio station.

If you are not familiar with Soroptimist, we are an international volunteer service organization for business and professional women. We work to improve the lives of women and girls, in our community and throughout the world. Soroptimist International of Brookings offers scholarships to local students, as well as offering scholarships for women returning to the work force who may need assistance. We also participate in many community events. Every year we hold a community baby shower, which is part of our Saturday Day of Service Project. The items and dollars collected for this event benefit babies born in this area that may start out with nothing or very little. The project continues to grow each year. We volunteer to help with the lights at Azalea Park at Christmas, we help stuff the bus providing school supplies to kids in need and we work with the staff at the elementary school to meet immediate needs of children. Our fundraisers consist of selling Christmas wreaths, holding garage sales, an auction, anything we can think of to raise money for scholarships.

We are pleased you want to take the time to fill out the application and be considered. Thank you.
