

BUSINESS DEVELOPMENT ANALYST

Calgary, Alberta

HEALTHCARE REIMAGINED

Think Tank Innovations is a communication solutions development company specializing in mobile, privacy legislation compliant technologies. Our flagship product, [ShareSmart](#), is the premiere mobile communication standard for healthcare professionals (doctors, nurses, allied health professionals, etc.) and its patients to collaborate on patient care, and is in use in 71 countries.

Think Tank Innovations is looking for a full-time Business Development Analyst to join our team in Calgary. As a Business Development Analyst on our team, you'll be collaborating with CEO to develop new business opportunities and improve the current operations.

At Think Tank, you'll be working with industry-leading technology that changes the way healthcare is delivered and how tactical missions are safeguarded in high incursion situation. The work is serious but we have lots of fun while we're at it. We have an amazing culture of inclusivity with a flat reporting structure. You'll gain hands-on experience and be part of the future that'll fast-track your career goals in technology.

About applying with Think Tank: Think Tank is an equal opportunity employer. We are excited to meet with and hire the top talent out there. We appreciate your interest in working with us; however, only those applicants selected for interviews will be contacted. Successful candidates for this position will be required to undergo a security screening, including a full criminal records check and may require a credit check.

We invite you to come aboard and help us continue to build the future of healthcare and defense.

Requirements:

- Proven experience developing business/investment opportunities
- Experience researching opportunities for business growth and executing the findings
- Ability to estimate revenue, growth potential, challenges, costs and other finances
- Experience with strategic planning and project management
- Experience with software and other technology implementation
- Experience in investing, government affairs, and health care
- Good knowledge of spoken and written English.

Please submit applications (CV and cover) to Rena Tabata (rtabata@sharesmart.ca).
