

# Mental Health Is RAD

---

RISE ABOVE THE DISORDER

RISE ABOVE THE DISORDER

**We are Rise Above The  
Disorder and we believe  
everyone deserves mental  
health care.**

Our logo is built on three pieces: the **brain**, the **heart**, and the **talk bubble**. To **say**, **think**, and **feel** our truth is truly radical.

## In all aspects, healing guides RAD

**#22181C**

Dark at times, but never truly absent of light. Our body and heading strike a powerful contrast.

**#76C4FF**

Reliable, calming, and trusting. Our primary color greets those searching for the healing they deserve.

**#76FFB1**

The color of balance, harmony, and growth. Our secondary color is attuned to our programs.

**#958FFF**

Energetic and soothing, mysterious and wise. Our final piece represents the duality of healing.

**Ready to change the world with us?  
Let your legacy be **RAD**.**
