Who are Educ8?

The Educ8 Group are a government contracted training provider, delivering Apprenticeship Training Programmes, enabling businesses to recruit a pipeline of talent and learners to achieve their full potential.

Our entire philosophy is to put the quality of our training provision, and the learner, at the heart of everything we do, which is reflected in the 'good' and 'excellent' grades we have achieved from external inspections and quality audits.

Our focus on service and quality extends not only to our customer base, but to our own staff. The Educ8 Group is listed as one of the Sunday Times Top 100 Best Companies to work for and has been awarded Investors in People platinum status.

At Educ8 we offer a bespoke support package to both our employers and our learners, maximising the quality of our service delivery. Our designated team of Customer Account Managers are here to support businesses throughout the recruitment journey. Our team can help you to create and advertise your job vacancy whilst supporting you with your training and development needs.

Educ8's innovative online resource platform, Moodle, which has been recognised as exemplary by Estyn, provides learners with an opportunity to learn independently and flexibly. Educ8's curriculum stretches and challenges More Able and Talented Learners (MAT) and supports those with Additional Learning Needs (ALN). Apprenticeships are, and can be made, accessible to all learners, our job coach David Jones will work with both learners and employers to support disabled apprentices into work.

At Educ8 we are proud to support the Welsh Government's aim to increase the number of Welsh speakers to one million by 2050, and are passionate about helping apprentices and employers to improve their Welsh skills. Apprentices with Educ8 will have the opportunity, and are encouraged, to enter national and international skills competitions such as Inspiring Skills and World Skills UK. Previous Educ8 apprentices have represented Wales in the Health and Social Care, Childcare and Customer Services sector.

What is Children's Care, Play Learning and Development Level 3?

This qualification allows learners to develop the knowledge and skills required for employment and / or career progression in the childcare sector.

We are offering the opportunity to allow learners to explore home based child development covering play, learning and legislation. This can be used for both the Core and as one of the optional units in partnership with PACEY.

The course combines both practice units assessed in the workplace with additional theoretical knowledge.

All of Educ8's CCPLD Trainer Coaches have undergone an extensive professional development programme to ensure they are best equipped to deliver the new industry training standards. This means that Educ8 are best placed to offer bespoke one to one support for both the employer and the learner.

The quality of our training is central to all that we do which is evidenced by our Estyn grading of Excellent/Good, something which we are enormously proud of.

If you are an employer, or a learner, and have any specific Covid-19 related queries please get in touch by emailing us at covid-19@educ8training.co.uk

I've been using Educ8 as my preferred training provider for many years now and have absolutely no reason whatsoever to ever go elsewhere. The quality of their Child Care training is superb and the customer service they offer is brilliant. I wouldn't go anywhere else for support with training and recruitment, they're just fab!
