# Who are Educ8?

The Educ8 Group are a government contracted training provider, delivering Apprenticeships: enabling businesses to recruit a pipeline of talent and learners to achieve their full potential.

Our entire philosophy is to put the quality of our training provision, and the learner, at the heart of everything we do, which is reflected in the 'good' and 'excellent' grades we have achieved from external inspections and quality audits.

Our focus on service and quality extends not only to our customer base, but to our own staff. The Educ8 Group have been voted by Best Companies as the Best Mid-Sized and Education and Training Company to work for in the whole of the UK.

At Educ8 we offer a bespoke support package to both our employers and our learners, maximising the quality of our service delivery. Our designated team of Customer Account Managers are here to support businesses throughout the recruitment journey. Our team can help you to create and advertise your job vacancy whilst supporting you with your training and development needs.

Educ8's innovative online resource platform, Moodle, which has been recognised as exemplary by Estyn, provides learners with an opportunity to learn independently. Educ8's curriculum stretches and challenges More Able and Talented Learners (MAT) and supports those with Additional Learning Needs (ALN). Apprenticeships are, and can be made, accessible to all learners.

At Educ8 we are proud to support the Welsh Government's aim to increase the number of Welsh speakers to one million by 2050 and are passionate about helping apprentices and employers to improve their Welsh skills. Apprentices with Educ8 will have the opportunity, and are encouraged, to enter national and international skills competitions such as Inspiring Skills and World Skills UK. Previous Educ8 apprentices have represented Wales in the Health and Social Care, Childcare and Customer Services sector.
