KRISHNA-GEMEINSCHAFT SCHWEIZ

Our temple is a spiritual oasis, a meeting place for like-minded people and a place where we can serve Krishna. With your membership fee you help to maintain our Krishna Temple Zurich.

Financial stability is the basis for keeping the temple open for everyone. The Krishna Gemeinschaft Schweiz (KGS) association is committed to ensure that the Krishna Temple Zurich is carefree for the future. The diverse spiritual and cultural offers that the KGS would like to maintain include:

- ❁ the worship of Sri Sri Gaura Nitai and Sri Sri Jagannath, Baladeva and Subhadra
- ❁ the weekly Sunday festival and all the festivities of the Gaudiya Vaishnavas
- ❁ the studies of Shastras through lectures, seminars and the three-month Bhakti-Yoga training in the Temple
- ❁ the association with other vaishnavas, sannyasis and spiritual teachers
- ❁ the spreading of Krishna consciousness through the congregational chanting of the Holy Names
- ❁ maintenance of the temple building as well as the necessary renovations
- ❁ our benevolent care for those devotees, who are full time engaged in the service of the temple and the congregation and carry out the daily services

The wish of the KGS board is to not have to reduce the standard of Deity worship in the future. It is our primary concern that Deity worship can take place free from pressures and sense of duty. For this, the KGS needs sufficient financial means.

With your membership you enable the KGS to maintain the various services of the temple.
