Got Traffic in German speaking countries?

The goal for the upcoming season for the TrafficPartner team is to **scale up traffic in German speaking countries** with our mainstream, casual and adult brands, like, iDates, Fremdgehen69, CasualDating, SpontaneFlirts, SexPartnerCommunity and many more.

Do you have German speaking traffic? If yes, reach out to your AM's - Celia, Daniel, Ilze or Simona to give them

a heads up in regard to what you need from us in order to send more traffic for these GEO's.

Our TrafficPartner team has worked hard in the past couple of months to **improve our product for our top brands**, fine-tune landing pages to get better CVRs and epcs for you to earn more money with us!

Let's make this Fall drop it's money leaves and profit together!

Autumn's reminder about the different TP deal types

At TrafficPartner, we care about **offering you the best payouts** to make more money together! Here is a reminder of the different deal types we can offer:

- **Revshare** is for the long-term thinkers. Invest now your money and keep the profits coming for years to come...
- **DOI deals.** With the right traffic type, the DOI deals will show more stable and long-term profitability.
- And let's not forget about **SOI deals** that are our steady companion for very long time with stable and secure harvest throughout the whole year!

We are also offering **exclusive white labels** for the DACH market – let's make this the best quarter of the year with the hottest deals!

Monetize your DACH traffic with Community Offers

The image shows a woman's profile in a blue and red neon light setting. Overlaid on the image are two logos: 'Sexpartner Community' with a male and female symbol, and 'AmateurCommunity' with a silhouette of a person. The background includes a pattern of money bills.

...and many more Offers for you to explore!

Are you looking for a new offer to **increase your EPC's**? Well, don't wait too long, our **COMMUNITY OFFERS** are waiting for YOUR traffic with hot CPL payouts, a variety of landing pages to choose from to reach your best CVR and many other possibilities to **MAKE MONEY** together!

Our Community offers are well-known adult social networks for German, Austrian and Swiss users, brands that have been on the market for more than 10 years!

Newly signed up users are getting 25 extra free coins to get warmed up with the hot and lusty product, which has proven to facilitate **better user engagement, improved CVR and EPCs!!!**

Don't wait too long to monetize your DACH traffic and get your community campaigns setup and ready to go **NOW!**

Our best MILF offers

Did somebody say MILF? In Europe it may be kind of grey and cold outside... All the more reason to cosy up to an **experienced lady** inside who can make all your naughty fantasys come true!

TrafficPartner has the best brands for this niche in all the colder countries like Norway, Sweened, Finland, Denmaek and many more! Even the people in Iceland can hide from us 😊

Reach out to your AM, that they can set up brands like NaughtyBook, Milf-area, MilfDates, HotMilfs and others in this niche that have high converting landing pages with best epcs. Interested to try it out?
